TENTATIVE ITINERARY (START & END IN PARIS)
Day 1 PARIS - LONGYEARBYEN, SPITSBERGEN (D)

4hr 30min flight | Cruise Embarkation from by 5:00 pm

Early morning flight to Longyearbyen which is the capital of the Norwegian **Svalbard** archipelago, located on **Svalbard's** main island, and is the northernmost territorial capital on the planet. The glaciers, the mountains stretching as far as the eye can see and the untouched nature, make you feel like you're in completely unexplored territory.

Day 2 AT SEA ALONG SPITSBERGEN (B/L/D)

The largest island in the Svalbard archipelago, its name meaning "pointed mountains" in German, **Spitsbergen** is the last piece of land before the Arctic ice floe. Aboard your ship, you will sail along the extremely spectacular coastline of this icy land. Between **millennial glaciers** and **rugged mountains**, you will discover a **jagged coastline, hollowed-out by fjords** offers you the possibility of taking fabulous photographs from the deck of your ship.

Day 3 to Day 7
NAVIGATING THROUGH THE SEA ICE (B/L/D)

Enjoy the absolutely unique experience of sailing to the heart of the **ice floe**, this **vast expanse of virgin, immaculate ice**. The landscapes are constantly changing, shifting from a smooth, flat wilderness to a chaos of ice, then to channels of open water. Your ship will sail along these naturally open channels and through the areas where the frozen layer is thinnest, offering you the chance to experience magic maritime moments in the midst of drifting sea ice.

Day 8 GEOGRAPHIC NORTH POLE (B/L/D)

Defined by a 90° North latitude, the Geographic North Pole lies on the Earth's rotational axis, at the intersection of all meridians. Plunged into darkness for six months of the year, then lit by the sun for the following six months, this **mythical site, permanently covered in ice** and remote from any land, has fascinated generations of explorers. So far, only a very few people have ever reached it: an exploit which is now accessible to you *aboard Le Commandant Charcot*.

Activities : Polar Plunge, Hiking or Snowshoeing. , Fishing, Kayaking or participate in scientific research

Day 9 TO Day 13
NAVIGATING THROUGH THE SEA ICE (B/L/D)

Returning journey. Your ship will sail along these naturally open channels and through the areas where the frozen layer is thinnest, offering you the chance to experience magic maritime moments in the midst of drifting sea ice. Our captain will constantly looking for any opportunity to look for wildlife such as Polar Bear, Walrus, Whales and possible landing once the ship reach the edge of the ice floe

Day 14 TO Day 15
AT SEA ALONG SPITSBERGEN (B/L/D)

Returning journey. Celebrate this unforgettable voyage with new friends you've made on board. Perhaps enjoying the remaining days on board with a nice spas.
