MONGOLIA

China

Mongolia is the land of Genghis Khan, the least populated country on Earth, with vast pristine landscapes of untouched beauty and wilderness. Today, it is still the most equestrian nation on Earth, home to a rich cultural heritage and the nomadic herdsman way of life. Start from the hustle of Ulaanbaatar before exploring picturesque Terej National Park, the ancient capital of Kharkorin and Khustai National Park for its Przewalski wild horse.

Experience overnight train from Mongolia to Irkutsk in Siberia. Marvel at the scenery as it changes from steppes to forest and concludes in Irkutsk near the shores of Lake Baikal.

Russia's Lake Baikal is one of nature's wonders. It's the largest freshwater lake in the world. Located in the heart of Siberia, it's a travel experience that hasn't been completely overrun with other tourists. If you love nature, you owe it to yourself to experience seeing Lake Baikal.

Olkhon Island is the largest island in Lake Baikal. Visiting Olkhon Island is just like traveling back in time, a journey back to nature. A mystical island with raw natural beauty.
